The Old Orchard Neighborhoods Association is excited to welcome the return of the neighborhood Garden Tour to be held on Sunday, June 12, 2022 from 10 AM - 5 PM. The tour will feature 8 unique gardens exhibiting different design styles, plant selections, and beautiful outdoor spaces.

As one of the city's unique and historic neighborhoods, Old Orchard continues to be a haven for trees and gardens since its transformation from apple and pear orchards in the 1920's. The neighborhood features many unique homes and an abundance of large old-growth trees creating a beautiful tree canopy. "The tour is a very popular event for garden enthusiasts," said Brent Lohmann, committee organizer. "Nearly 600 people attended the last tour held in 2019. We look forward to sharing a unique selection of beautiful garden spaces and guests will be amazed by the hidden gems behind Old Orchard homes," he added.

Event tickets are \$10 per person and can be purchased in advance online at oldorchardgardens.org. Tickets may also be purchased the day of the tour at SIP Coffee (3160 Markway Road) and at the ticket tent located at the intersection of Darlington and Barrington. Proceeds from the tour will fund beautification initiatives of the Old Orchard Neighborhoods Association. This outdoor event is self-guided and easy for attendees to social distance as needed to provide a safe experience. The event is held rain or shine.

The Old Orchard Neighborhoods Association (OONA) is comprised of people who live in, and love, the Old Orchard and Indian Hills neighborhoods. The organization promotes a safe and vibrant community by engaging with residents, the city and entities that impact the area. OONA is a 501(c)3 non-profit organization.
